

Alberta Angus Advantage Week Steak Dinners

Central Alberta Locations

Provost Livestock – October 26
Veteran(Dryland Trading Co.) – November 2
VJV Ponoka – November 4
Westlock(Triple J Livestock) – November 16

Sponsored & Organized by the Alberta Angus Association & Select Angus Breeders

Once again Alberta Angus breeders will be preparing a free Angus Steak dinner at these auction markets in Central Alberta. This initiative was originally developed by the Southern Alberta Angus Club. It provides Angus Breeders with a great opportunity to thank commercial breeders & cattle buyers, for using Angus genetics.

The Alberta Angus Association & select Angus breeders work together as a collective group to maximize the “Angus” impact. Angus steaks are purchased, meals are organized with each auction market, sponsors cook the steaks and provide a great Angus Steak dinner for all patrons at the sale that day. We welcome & encourage all sponsors to take an active part in the sale day barbeques.

Please contact the Alberta Angus Association at 888-556-9057 or Bill Dietrich at 780-889-2259 regarding sponsorship opportunities. We will see you all sale day as select Angus breeders say Thank You to the commercial cattle industry for using Angus Genetics.
