

Dorothy Banks Memorial Scholarship

Dorothy Banks was a former school teacher who believed that education could be learned throughout all your life which she proved by attending University in her eighties to learn Spanish because she was going to Argentina for the World Angus Forum. She was a great supporter of young people and encouraged them to live life to the best that they could. Dorothy was a great supporter of Angus cattle which she proved because she volunteered to be the Alberta Angus Association secretary for twenty-five years. In her memory the Alberta Angus Association is sponsoring a scholarship for any Alberta youth who is pursuing post secondary education and is open to all Alberta farm youth who have ever been involved in any activity (either 4-H or junior activities) using Angus influenced cattle. Preference will be given to high school graduates in the year of graduation or persons already enrolled in further educational study.
